

**5240 Series** | A truly innovative product. Not only is it the premier carriage house door to be constructed entirely of steel, but it has been designed to give you, the home owner, an historically-accurate recreation of the traditional wood carriage house door.

C.H.I.'s Steel Carriage House Door provides the maintenance-free durability of steel and a limited lifetime warranty for many years of worry-free protection. And with a diverse collection of color, hardware and window options you can be certain to find the door that will compliment your home perfectly.

### 5240 Series

No insulation

### 5241 Series

Vinyl backed insulation

Chosen for its weather resistant feature, the tongue and groove design was engineered to ensure a secure fit while strengthening the structural integrity of the door.
